2. INVESTMENT MANAGEMENT (Complete the Investment Recommendation Form)

A donor establishing a Fund may request a segregated account and recommend a financial advisor to work with the YouthBridge Financial Advisor Program. As a participant in the Financial Advisor Program, the selected financial advisor will be responsible for the management of the assets of the designated Fund, and he/she will do so in accordance with the most current financial policies and standards of YouthBridge. In accordance with IRS regulations, YouthBridge has the final authority regarding investments and the selection of financial advisors.

Alternatively, donors may choose to invest in the YouthBridge Investment Pools. Assets of Donor Advised Funds are normally commingled with the investment assets of other funds for investment purposes. YouthBridge offers a variety of pooled investment funds permitting the donor to select one pre-set asset allocation strategy or to create a customized asset allocation strategy. These investment pools are all managed by professional money managers and monitored by an investment committee. More detailed information about each investment pool is available as a separate exhibit.

- I would like to recommend a specific investment advisor to manage my Fund as stated in the attached Investment Recommendation Form.
- My Fund will be invested in the YouthBridge Investment Pools as selected in the attached Investment Recommendation Form.

NOTE: All donors must complete the Investment Recommendation Form.
